

PAYMENT GUY - "EVERYONE CAN PAY!"

PAYMENT SYSTEMS FOR VIRTUAL WORLDS.

ROCKETON Rocks!

July 9, 2008 — by paymentguy of paymentguy.blogspot.com

PaymentGuy was delighted to be contacted by Eric Hayashi | Co-Founder, VP Marketing and Business Development of ROCKETON. Eric advises PaymentGuy his Team is creating a parallel virtual world; "Imagine a new type of virtual world layered on top of every website. You can take your avatar to any website and interact with other users right on top of the site."

Here are a few articles recently written about ROCKETON:

- * Mashable <http://www.rocketon.com/a/press/Mashable.pdf>
- * TechCrunch <http://rocketon.com/a/press/TechCrunch.pdf>
- * What'sNextBlog <http://rocketon.com/a/press/WhatsNextBlog.pdf>

If you are interested, I am pretty sure if you drop Eric a line he would be happy to let you into the system for a sneak preview and answer any questions you may have. Just email: eric@rocketon.com web: www.rocketon.com.
